Adam Semien

Director of Community & Sponsorships, The Guild

"My company, The Guild, hosted an ACL Recovery Room weekend one and two inside one of our hotel properties nearby the music festival. The event was a huge success, and IVitamin was the star of the show. Our guests loved the mobile IVs and B12 shots being offered in the comfort of the event. Several guests loved their IV experience so much they came back the next day for another round. All of the IVitamin staff were grade-A—extremely professional, timely, and personable. I'd recommend IVitamin to anyone looking for mobile IV service for an event!"
