

BRAIN & MOOD

LIPOSOMAL NUEROCALM

Full Price: \$33 IVIP Price: \$26.40

Delivered in liposomal form to offer superior absorption and bioavailability. Each serving of this formula provides 250 mg of gamma-aminobutyric acid (GABA: our calming neurotransmitter) and 100 mg of L-theanine.

Supports:

- Mental Calm
- Reduction of Anxiety
- Healthy Response to Stress
- Clear Thinking, Better Focus & Concentration

LIPOSOMAL NMN

Full Price: \$60 IVIP Price: \$48

Liposomal NMN Synergy™ is the only NAD+ precursor using liposome delivery for enhanced bioavailability. NAD+ plays a role in more than 500 reactions in the body, including energy production, metabolism, aging, gene expression, stress response, and DNA repair.

Supports:

- Energy Production
- DNA Repair, and Cell Survival
- Healthy Aging and Cellular Function
- Healthy Cognition and Brain Function

COGNIQUIL

Full Price: \$65 IVIP Price: \$52

Cogniquil® provides a unique blend of patented, stimulant-free, non-habit-forming ingredients. Methylcobalamin supports cognition & contributes to healthy energy metabolism; magnesium L-threonate supplies highly bioavailable magnesium to the brain, which is vital to cognitive function; and theacrine promotes mental and physical energy, focus, and motivation.

Supports:

- Cognitive Health
- Healthy Brain Magnesium Levels
- Concentration, Mental Clarity, and Focus
- Mental and Physical Energy and Motivation to Exercise

RELAXMAX

Full Price: \$45 IVIP Price: \$36

RelaxMax™ is an innovative powdered drink mix which contains GABA. Most people are familiar with Serotonin, our Happy Neurotransmitter. GABA is our Calming Neurotransmitter. Works fast and non-drowsy!

Supports:

- Healthy Microbial Environment
- Joint Health & Minor Pain Relief
- Healthy Mood & Stress Response
- Antioxidant & Cell-Protective Activity

MELATONIN CR

Full Price: \$21 IVIP Price: \$16.80

Vitamin B6, Calcium, and Melatonin. Vegetarian formula with a biphasic delivery system that releases melatonin quickly and then steadily.

Supports:

- Brain Health
- Restful Sleep
- Healthy Response to Stress
- Clear Thinking, Better Focus & Concentration

5-MTHF

Full Price: \$25 IVIP Price: \$20

5-MTHF, provided as Quatrefolic, is the most biologically active form of the water-soluble B vitamin, folic acid. It is the preferred form of folate supplementation due to an array of conditions that can limit conversion or absorption of folic acid.

Supports:

- Methylation
- Healthy Serum Folate
- Normal Cellular Proliferation
- Nervous System and Oral Health

LIPOSOMAL B SUPREME

Full Price: \$48 IVIP Price: \$38.40

Enhanced delivery system, nutrients delivered in liposomal form offer superior absorption and bioavailability. Each serving of this citrus-flavored formula provides efficacious amounts of B vitamins (thiamin, riboflavin, niacin, pantothenic acid, B6, folate, biotin, and B12).

Supports:

- Energy Production
- Heart Function and Brain Health
- Antioxidant Aiding Glucose Control
- Proper Functioning of the Nervous and Immune System

IMMUNITY BOOSTING

LIPOSOMAL VITAMIN C

Full Price: \$31 IVIP Price: \$24.80

Delivered in liposomal form to offer superior absorption and bioavailability. Each serving of this lemon-flavored formula provides 1,000 mg of vitamin C, as sodium ascorbate. The 130 mg of sodium per serving helps to further facilitate the absorption of vitamin C.

Supports:

- Redox Balance
- Immune Function
- Collagen Synthesis
- Neurotransmitter & Hormone Synthesis

LIPOSOMAL D SUPREME

Full Price: \$48 IVIP Price: \$38.40

Liposomal D Supreme provides vitamins D and K formulated with liposomal technology for superior absorption and bioavailability. Each serving of this citrus-flavored formula provides 2500 IU of vitamin D3 and 325 mcg of vitamin K (as both K1 and K2).

Supports:

- Balanced Moods
- Healthy Immune System
- Brain and Cognitive Function
- Healthy Bones and Proper Calcium Balance

LIPOSOMAL GLUTATHIONE

Full Price: \$41 IVIP Price: \$32.80

Liposomal Glutathione, offered in a lemon-peppermint-flavored formulation, provides 100 mg of reduced glutathione in each serving. This product is formulated using liposomal technology, which results in superior delivery, absorption, and bioavailability.

Supports:

- Detoxification
- Energy Production
- Immune Function
- Protection of Cells Against Oxidative Stress

IMMUNOBERRY

Full Price: \$42 IVIP Price: \$33.60

ImmunoBerry™ Liquid provides immune support in a pleasant-tasting liquid. Ingredients, such as elderberry, shiitake, and wild cherry bark, are known for their beneficial effects for maintaining a healthy immune system. ImmunoBerry™ Liquid is sweetened with glycerine, tastes great, and is ideal for both children and adults.

Supports:

- Healthy Inflammatory Response
- Immune System of the Upper Respiratory Tract
- Expression of Certain White Blood Cells for a Healthy Immune System Response

IMMUNO-ZINC LOZENGES

Full Price: \$26 IVIP Price: \$20.08

Immuno-Zn™ Lozenge is a combination of zinc and elderberry delivered in a fast-melting lozenge with a delicious mixed berry flavor. Each lozenge provides 25 mg of zinc and 100 mg of elderberry fruit, and it has zero grams of sugar.

Supports:

- Overall Immune Health
- Upper Gastrointestinal Tract
- Upper Respiratory Tract Health
- Protection Against Bacteria and Viruses

ZINC SUPREME

Full Price: \$17 IVIP Price: \$13.60

Zinc Supreme™ offers chelated minerals with a 2:1 molar ratio of two molecules of the amino acid glycine chemically bonded in liquid to one mineral ion of zinc or molybdenum for optimal absorption. These minerals are combined with other nutrients such as vitamin B6 and taurine to provide superior results.

Supports:

- Methylation
- Healthy Serum Folate
- Normal Cellular Proliferation
- Nervous System and Oral Health

CORO-NO MED PAX

Full Price: \$47.40 IVIP Price: \$37.92

These packs are a convenient, on the go way to boost your immune system! This pack includes Vit. C, Vit. A, D3, and Zinc all in one pack so there's no need to purchase these separately (saves you money and space in your cabinet). These vitamins boost your immunity in different ways!

Supports:

- Overall Immune Health
- Healthy Inflammatory Response
- Superior Absorption of D3 with K2
- Fight Off Viruses and Shortened Duration of Viruses

DAILY ESSENTIALS

FOUNDATION ESSENTIALS

Full Price: \$76 IVIP Price: \$60.80

Foundation Essentials provides 30 days of supplementation in convenient, once-a-day packets. Each packet provides a daily dose of five Xymogen foundational health formulas: ProbiMax Daily DF, ActivNutrients, Omega MonoPure 650 EC, OptiMag 125, and D3 2000.

Supports:

- Intestinal and Microbiome Health
- Healthy Magnesium and Vitamin D Levels
- Good Nutrition and Healthy Cytokine Production
- Foundational Supplementation for Overall Health

ACTIVNUTRIENTS * Available with and without Iron

Full Price: \$34 IVIP Price: \$27.20

ActivNutrients® features a premium, multivitamin/mineral blend of high-quality vitamin and mineral forms selected for optimum utilization. The comprehensive nutrient profile is delivered in a vegetarian capsule and supports foundational wellness.

Supports:

- Energy Production
- Antioxidant Protection
- Balanced Nutrient Profile
- Those With a Stressful Lifestyle

OPTIMAG 125

Full Price: \$30 IVIP Price: \$24

Magnesium, the fourth most abundant mineral in the human body, plays a role in over 300 metabolic processes. OptiMag contains Magnesium & Malic Acid - both formulated for enhanced absorption.

Supports:

- Energy Production
- Healthy Glucose Metabolism
- Cardiovascular & Bone Health
- Healthy Muscle Function & Nerve Conduction

OMEGA MONOPURE

Full Price: \$39 IVIP Price: \$31.20

Omega MonoPure® 650 EC features natural enzymatically enhanced MaxSimil® monoglyceride fish oil that has a three times greater EPA/DHA absorption rate than an equivalent dose of ethyl ester fish oil. This translates to less fish oil in a smaller softgel for easy swallowing.

Supports:

- Cardiovascular Health
- Healthy Mental Functioning
- Healthy Glucose and Insulin Metabolism
- Cellular Repair after Injury/Inflammation

COQMAX OMEGA

Full Price: \$59 IVIP Price: \$47.20

Features MaxSimil® highly absorbable monoglyceride fish oil is International Fish Oil Standards (IFOS) five-star certified. Kaneka Q10®, a naturally pure form of bioidentical CoQ10, is well-researched for boosting energy production in the heart and protecting the cardiovascular system from oxidative stress.

Supports:

- 3x Greater Absorption of EPA and DHA
- Health/Function of the Cardiovascular System
- Helps Maintain Natural Plasma/Tissue CoQ10 Levels

CURCUPLEX-95

Full Price: \$48 IVIP Price: \$38.40

CurcuPlex-95™ features BCM-95®—a 100% pure turmeric extract standardized to curcumin, desmethoxycurcumin, bisdemethoxycurcumin, and essential oils of turmeric rhizome. This natural composition optimizes bioavailability and reflects true turmeric identity to deliver optimal health benefits.

Supports:

- A Healthy Microbial Environment
- Antioxidant and Cell-Protective Activity
- Brain/Neuronal Health and a Healthy Mood
- Joint Health & Minor Pain Relief Due To Physical Activity

TESTOPLEX PLUS

Full Price: \$61 IVIP Price: \$48.80

TestoPlex™ Plus features two safe, clinically-tested, standardized, and patented ingredients designed to support vitality and general physical and mental well-being in men and women.

Supports:

- Supports Cognition
- Healthy Libido & Vitality
- Healthy Testosterone levels
- Physical Strength and Endurance

LIPOSOMAL

Benefits of Liposomal Technology

- Superior absorption in the body
- Rapid uptake, starting in the mouth
- Longer circulation in the body for effective nutrient delivery

LIPOSOMAL VITAMIN C

Full Price: \$31 IVIP Price: \$24.80

Delivered in liposomal form to offer superior absorption and bioavailability. Each serving of this lemon-flavored formula provides 1,000 mg of vitamin C, as sodium ascorbate. The 130 mg of sodium per serving helps to further facilitate the absorption of vitamin C.

Supports:

- Redox Balance
- Immune Function
- Collagen Synthesis
- Neurotransmitter & Hormone Synthesis

LIPOSOMAL B SUPREME

Full Price: \$45 IVIP Price: \$36

Enhanced delivery system, nutrients delivered in liposomal form offer superior absorption and bioavailability. Each serving of this citrus-flavored formula provides efficacious amounts of B vitamins (thiamin, riboflavin, niacin, pantothenic acid, B6, folate, biotin, and B12).

Supports:

- Energy Production
- Heart Function and Brain Health
- Antioxidant Aiding Glucose Control
- Proper Functioning of the Nervous and Immune System

LIPOSOMAL D SUPREME

Full Price: \$48 IVIP Price: \$38.40

Liposomal D Supreme provides vitamins D and K formulated with liposomal technology for superior absorption and bioavailability. Each serving of this citrus-flavored formula provides 2500 IU of vitamin D3 and 325 mcg of vitamin K (as both K1 and K2).

Supports:

- Balanced Moods
- Healthy Immune System
- Brain and Cognitive Function
- Healthy Bones and Proper Calcium Balance

LIPOSOMAL GLUTATHIONE

Full Price: \$41 IVIP Price: \$32.80

Liposomal Glutathione, offered in a lemon-peppermint-flavored formulation, provides 100 mg of reduced glutathione in each serving. This product is formulated using liposomal technology, which results in superior delivery, absorption, and bioavailability.

Supports:

- Detoxification
- Energy Production
- Immune Function
- Protection of Cells Against Oxidative Stress

LIPOSOMAL NMN

Full Price: \$60 IVIP Price: \$48

Liposomal NMN Synergy™ is the only NAD+ precursor using liposome delivery for enhanced bioavailability. NAD+ plays a role in more than 500 reactions in the body, including energy production, metabolism, aging, gene expression, stress response, and DNA repair.

Supports:

- Energy Production
- DNA Repair, and Cell Survival
- Healthy Aging and Cellular Function
- Healthy Cognition and Brain Function

LIPOSOMAL NUEROCALM

Full Price: \$33 IVIP Price: \$26.40

Delivered in liposomal form to offer superior absorption and bioavailability. Each serving of this formula provides 250 mg of gamma-aminobutyric acid (GABA: our calming neurotransmitter) and 100 mg of L-theanine.

Supports:

- Mental Calm
- Reduction of Anxiety
- Healthy Response to Stress
- Clear Thinking, Better Focus & Concentration

GUT HEALTH

PROBIOMAX

Full Price: \$42 IVIP Price: \$33.60

Delivered in liposomal form to offer superior absorption and bioavailability. Each serving of this lemon-flavored formula provides 1,000 mg of vitamin C, as sodium ascorbate. The 130 mg of sodium per serving helps to further facilitate the absorption of vitamin C.

Supports:

- Redox Balance
- Immune Function
- Collagen Synthesis
- Neurotransmitter & Hormone Synthesis

GLUTALOEMINE

Full Price: \$45.83 IVIP Price: \$36.67

GlutAloeMine® features four specialized ingredients for enhanced gastrointestinal support. Glutamine serves as the predominant fuel and nitrogen source for the mucosal lining of the gastrointestinal (GI) tract. Research suggests that arabinogalactan plays a role in the promotion of gut microflora and may increase beneficial short-chain fatty acid production.

Supports:

- Gastrointestinal Support
- Promotion of Gut Microflora
- Enhanced Production of Short Chain Fatty Acids
- Soothing of Inflammatory Conditions of the GI Tract

DIGESTZYMES

Full Price: \$36 IVIP Price: \$28.80

Comprised of a proprietary blend of digestive enzymes along with betaine hydrochloride (HCl) to support the optimal digestion of proteins, fats, and carbohydrates. Use before meals may be helpful for patients who experience gas and bloating after eating, occasional constipation, or a feeling of fullness after eating only a small quantity of food.

Supports:

- Proper Stomach Acidity
- Protein Digestion and Nutrient Absorption
- Healthy Digestion of Protein, Fats, and Carbohydrates
- Protection Against Bacteria and Other Microorganisms

IB SYNERGY

Full Price: \$68 IVIP Price: \$54.40

The ingredients in this formula support the enteric nervous system that controls the gastrointestinal tract. It is responsible for all aspects of the digestive process and works to regulate normal digestive activity. The connection between the brain and the gut is extensive, and this connection plays a role in many conditions that involve the gut and brain, such as occasional constipation, GI discomfort, and mood disruptions.

Supports:

- Gut health
- Normal GI Motility
- Normal microbial diversity
- Regularity and normal digestive activity

MUSCLE RECOVERY

XYMOBOLYX

Full Price: \$43 IVIP Price: \$34.40

XymoBolyx™ represents a breakthrough in the use of amino acids for muscle protein synthesis. Over 20 human trials have been conducted to arrive at this specific, patented combination of amino acids in the most effective, anabolic ratios.

Supports:

- Muscle Strength and Function
- Muscle Recovery After Exercise
- Muscle Protein Synthesis in the Young and the Elderly
- Prevention of Muscle Loss Associated with Inactivity or Aging

BCAA POWDER

Full Price: \$49 IVIP Price: \$39.20

ZBCAA Powder combines the branched-chain amino acids (BCAA) – leucine, isoleucine, and valine – along with the amino acid, L-glutamine for a synergistic effect in building muscle tissue and supporting the immune system.

Supports:

- Healthy Libido
- Overall Vitality
- Physical Strength and Endurance
- Enhancing Muscle Building and Recovery in Athletes

WHOLE BODY COLLAGEN

Full Price: \$52 IVIP Price: \$41.60

Whole Body Collagen contains a unique blend of three patented collagen peptides supported by clinical research showing their efficacy. It can be incorporated into shakes, smoothies, and other foods and beverages!

Supports:

- Muscle Strength & GI Health
- Proper Bone Density (mass & quality)
- Healthy Skin Elasticity, Thickness, Hydration & Appearance
- Joint Tissue Health & Function Involving Cartilage, Tendons & Ligaments

NAD+ PAIRINGS

These products work together to optimize our
NAD+ Brain Reboot Regimen!

LIPOSOMAL NMN

Full Price: \$60 IVIP Price: \$48

Liposomal NMN Synergy™ is the only NAD+ precursor using liposome delivery for enhanced bioavailability. NAD+ plays a role in more than 500 reactions in the body, including energy production, metabolism, aging, gene expression, stress response, and DNA repair.

Supports:

- Energy Production
- DNA Repair, and Cell Survival
- Healthy Aging and Cellular Function
- Healthy Cognition and Brain Function

RESVERATROL SUPREME

Full Price: \$54 IVIP Price: \$43.20

Resveratrol Supreme contains the powerful polyphenol resveratrol, which is found in peanuts, berries, red grape skins, and red wine. Research has shown that resveratrol has very potent antioxidant properties, which among other things acts as a sirtuin activator to provide healthy aging effects

Supports:

- Overall Health
- Slow Down of the Aging Process
- Cardiovascular and Neurological Support
- Decrease Risk of Some Types of Cancer and Viruses

SEMAGLUTIDE PAIRINGS

Ask our Nurse Practitioner which products may compliment your weightloss program!

PRETRAIN NRG

Full Price: \$57 IVIP Price: \$45.60

PreTrain NRG™ powder is a specific pre-workout formula providing beneficial nutrients to help support focus, power, and mental energy in athletes. There is no question that intense, prolonged training exerts significant stress on the central nervous system; thus, providing nutrients that optimize brain function may be highly beneficial to the performance of an athlete.

Supports:

- Improves Blood Flow
- Increases Lean Body Mass
- Reduces Muscular Fatigue
- Increases Power, Energy, and Focus.

BCAA POWDER

Full Price: \$49 IVIP Price: \$39.20

ZBCAA Powder combines the branched-chain amino acids (BCAA) – leucine, isoleucine, and valine – along with the amino acid, L-glutamine for a synergistic effect in building muscle tissue and supporting the immune system.

Supports:

- Healthy Libido
- Overall Vitality
- Physical Strength and Endurance
- Enhancing Muscle Building and Recovery in Athletes

WHOLE BODY COLLAGEN

Full Price: \$52 IVIP Price: \$41.60

Whole Body Collagen contains a unique blend of three patented collagen peptides supported by clinical research showing their efficacy. It can be incorporated into shakes, smoothies, and other foods and beverages!

Supports:

- Muscle Strength & GI Health
- Proper Bone Density (mass & quality)
- Healthy Skin Elasticity, Thickness, Hydration & Appearance
- Joint Tissue Health & Function Involving Cartilage, Tendons & Ligaments

FOUNDATION ESSENTIALS

Full Price: \$76 IVIP Price: \$60.80

Foundation Essentials provides 30 days of supplementation in convenient, once-a-day packets. Each packet provides a daily dose of five Xymogen foundational health formulas: ProBioMax Daily DF, ActivNutrients, Omega MonoPure 650 EC, OptiMag 125, and D3 2000.

Supports:

- Intestinal and Microbiome Health
- Healthy Magnesium and Vitamin D Levels
- Good Nutrition and Healthy Cytokine Production
- Foundational Supplementation for Overall Health
